

Minutes September 24, 2001

Members Present: Chuck Kinen, Lynn Crozier, Dave Jones, and Sid Winchell (representing Atlantic)
Staff Present: Rob Koppert
Others Present: Gloria Abild

Chairman Chuck Kinen called the meeting to order 5:13 p.m.

MSC Crozier/Jones to approve the agenda as published. Carried unanimously.

MSC Jones/Winchell to approve the August Minutes. Carried unanimously.

MSC Jones/Crozier to approve the August financial statements as distributed. Carried unanimously.

Terminal Agency Coordinator Koppert gave his report and updated the Commission on the Emergency Medical Dispatch class to be held October 22nd through the 24th. A site has yet to be determined although the instructor has indicated that there will be enough to conduct the class. TAC Koppert informed the Commission that Dick Scybert has been hired as a part-time dispatcher and started work on the 17th. He informed the Commission that Jennifer Erickson and Amanda Schuler had completed the 40-hour Basic Telecommunicator Course at the Iowa Law Enforcement Academy. Rob Koppert, Chris Droll, Jennifer Erickson, and Judy Kinser have completed the yearly 8-hour in-service training.

Following discussion on various proposals, plus the added scenario of losing the entire communications center for some unforeseen occurrence, the Commission tabled any action regarding backup radio communications in the communications center. It was also suggested that TAC Koppert look into possible grants to help pay for the project.

MSC Crozier/Jones to table any action regarding backup radio communications in the communications center. Carried unanimously

MSC Jones/Winchell to adjourn at 5:45pm. Carried unanimously.

Respectfully Submitted,

Rob Koppert, TAC
