The Cass County Board of Supervisors met at 8:30 a.m. with all members present: Gaylord Schelling, chair; Steve Baier, Stephen Green, Frank Waters and Mark Wedemeyer. Agenda upon motion by Green, 2nd by Baier was approved. Minutes of May 10, 2017 upon motion by Waters, 2nd by Wedemeyer were approved.

Establishing a reduced speed limit on a portion of county roadway on the south side of Griswold was discussed. Speed limit on roadway now known as Troy Road and Cass Street south of Griswold city limits was discussed. Engineer stated the road was only a little over 1/4 mile with about 1,000 feet being in joint jurisdiction with Griswold. Average traffic speed is probably much less than the legal limit. He believes an engineering and traffic investigation is unwarranted.

After discussion: Since this is roadway under joint jurisdiction, the board consensus was to act in accord with the decision of the city.

Motion by Green; 2nd by Baier: to take under advisement and postpone action until action has been taken by Griswold. Carried unanimously.

A new 28E agreement establishes an East Nishnabotna Watershed Management Coalition. Each partner needs to identify its voting representative and an alternate.

Motion by Waters, 2nd by Green: to make the following assignment of voting representative(s) for 2017 for the East Nishnabotna Watershed Management Coalition - Steve Baier and Mark Wedemeyer, alternate. Carried unanimously.

Motion by Waters; 2nd by Wedemeyer: to adopt Resolution No. 2017-016 TO ABATE TAX
