IT/GIS Position

Cass County seeks a full time person to fill an IT/GIS position. This position involves working with each county office and computer and technology needs and working with our software vendors. Applicant must be able to work varied hours as emergencies may arise. Applicant will be required to stand, stoop or kneel, and be able to lift up to 50 pounds. The county seeks a self-starter who is willing to work together and be a team player, has good time management, interpersonal, organizational, prioritization skills, and can maintain confidentiality. Applicant must be able to pass a background check. A combination of 2 years' experience in GIS or related field or enterprise networks with server administration experience is preferred. A 2 year or 4 year degree in a technology related field is also preferred. This is a full-time position with benefits and a salary range of $55,000 to $60,000. Applications may be picked up and dropped off in the recorder's office or obtained on our website at: www.atlanticiowa.com . Please provide the completed application, resume, and cover letter. Applications will be taken up until July 28, 2017.
