County Weed Commissioner Dennis Vogl reviewed current activity. Sixteen complaints filed this season. Fourteen resolved without using certified notice process.

County auditor reported that he and the Board Chair contacted Pipeline Foods Monday and informed them that the Code of Iowa does not permit the County to reduce existing assessment. That is, a tax exemption/abatement is available only on an increase in valuation/assessment. They said they would not be attending today's meeting.

The following claims were approved and the auditor authorized to issue checks for same:
