The Cass County Board of Supervisors met at 10:00 a.m. with all members present: Gaylord Schelling, chair; Steve Baier, Stephen Green, Frank Waters and Mark Wedemeyer. Agenda upon motion by Baier, 2nd by Waters was approved. Minutes of October 31, 2018 upon motion by Wedemeyer, 2nd by Green were approved.

County Conservation Director Micah Lee presented quarter ending 9/30 report of activity at county recreational sites (maintenance at Cold Springs, West Nodaway Area, Pellett Memorial Woods and Outdoor Classroom) and naturalist's environmental education activities (67 programs to 1,115 persons).

The Board and representatives from ISU extension, Cass Co. Memorial Hospital, Harrisdale Homestead, Cass Co. Conservation, etc. discussed the concept of a Wellness Coordinator for Cass County who would be a connector and bridge builder between various working groups around community health initiatives. Projects involved in could include community events promotion, infrastructure and implementation projects, food systems development, applying for grants and educational programming.

Considered was a part time (average 20 hours per week) county-based position with the county providing a portion of the salary plus other non-salary expenses such as an office in the courthouse. Other funding partners could include ISU Extension, YMCA, and CCMH to start. Considered was an annual wage of \$20,000 with each funding partner (minimum of four) contributing \$5,000 per year. Since Soc. Sec. and IPERS would be over 17% additional, a higher contribution may be requested. Proposed was a possible 28E agreement and intent to commit to five years. Also discussed was a one year renewable agreement. After due consideration, the consensus of the board was to proceed with work plan with goal of having something in place by end of calendar year.

Reports filed: October 2018 Sheriff's and Recorder's reports of fees collected.
