### February 2018

#### CONSERVATION UPDATES:

Last Chance to SNOWSHOE!! I have 5 pairs of snowshoes that fit children 90 lbs. and below. I have 25 pairs fit children weighing up to 175 lbs. and 3 pairs for children over 175 lbs. Here is how it will work, I am leaving four morning and afternoons open in February for snowshoe programs. You can email me and set up a program like you usually would, I will put you on the list for that month (if no snow yet) or if we have snow we can put you in on a date for the program. Another words very flexible!! Any green space will work near the schools, and with the least amount of concrete for the snowshoes to be near is best! Cancellation policy: if you do not have outside recess we won't go outside either. **Rest of winter: if we get enough snow, email me (I only have one class on the list) and see what we can work out!!!!**

Upcoming public programs this month: Winter Camp for 3rd-5th grade will be in March. **Full Moon Owl Prowl Hike** Thursday February 1st 7:00 PM Cold Springs Park, Lewis, IA

Drive the short drive and hike off that dinner! We will hike and try to call in various species of Owls that may be in the park that night! **Great Backyard Bird Count** February 16-19th Saturday February 10th 12:30 PM Atlantic Public Library Community Room- Learn how to be involved in a great citizen science project! We will show and explain how to participate in the project. We will also include some tips on identifying birds.
